

Mutual Respect Flag Tour 2022

Our giant #MutualRespect England flag will be touring the county in the lead up to this summer's tournament. We'll be visiting grassroots football clubs and dropping in on some famous faces along the way, asking them to sign their support for the England Women's team and for mutual respect on and off the pitch.

Check out the dates* below if you would like to come see the flag in person and sign it yourself!
